

## Surface-mounted spotlights

### Overview

Mini

Maxi

## PLERA

### Why was the product developed?

**Response to the unforeseeable:** born out of the necessity to be able to immediately respond to every surprise in the dynamic everyday retail environment

### Which problem is solved by the luminaire?

**Increased planning reliability:** eliminates the risk of unsuitable light colour or beam angles through adjustability

**Long-term designability:** lighting can be adjusted to any redesign of the shop environment

**Less budget pressure:** provides versatile professional solutions with an excellent price-performance ratio

### Product benefits

- + **Flexibility triple:** up to four MultiLumen levels, MultiColour (light colours 927, 930, 940), MultiBeamAngle (beam angle seamlessly adjustable, 24° to 60°)
- + **Design & quality:** high light quality integrated into a slim, elegant design
