THE ULTRA-FLAT HOUSE NUMBER LUMINAIRE

Why was the product developed?

Legal specifications: compliance with obligation to illuminate house numbers (applicable for example in Berlin, Hamburg, Bremen)

Legally watertight: guarantees specified identification in public spaces

Universal: increases safety and orientation in any urban application

Which problems are solved by the luminaire?

Relief from legal pressures: compliance with standard illumination of house number

Cost optimisation: full functionality, competitive price

Safety factor: fast retrievability, e.g. by rescue teams in time critical situations

Product benefits

- + **Time saving:** very easy installation
- + **Consistent:** durable, replaceable components
- + **Convenient:** optional twilight sensor for automatic operation
