

Oval bulkhead luminaires

BSX 310

Why was the product developed?

Response to cost pressure: born from the necessity of a mainstream and economical solution

Symbiosis: the perfect bridge between hard budget allowances and real quality standards

Which problems are solved by the luminaire?

Less cost pressure: end of the balancing act between tight budget and high quality standard

Simple solution: perfect for small areas with few demands (cellar corridors, side rooms, technical areas)

Long-term peace of mind: ultimate "install-and-forget" solution - installed once, no subsequent effort

Product benefits

- + **Extremely light power package:** robust plastic housing for simple handling and quick installation
- + **Gentle optics:** opal cover guarantees glare-free, functional light
- + **Good robustness:** secure protection against dust and moisture (IP54)
- + **Price-performance winner:** maximum reliability at the best price
