

Moisture-proof luminaires

PLANOX ECO

Why was the product developed?

Quality for all: developed as all-rounder, which makes proven RZB standards accessible for any standard application

Removal of barriers: focus on a maximally simple and economical change to LED technology

Which problems are solved by the luminaire?

Less warehouse chaos: one luminaire model is suitable for all operation sites due to MultiLumen

No frustrating installations: optimised for fast, straightforward handling

Product benefits

- + **High flexibility:** luminous flux directly adjustable on the luminaire
- + **Ingenious handling:** compact and light with convenient connection via removable plugs
- + **Price-performance:** high quality at a competitive price
- + **Clever expansion options:** for the emergency luminaire, with the self-contained EXEO X emergency luminaire
- + **Robust:** thanks to IP 66; ammoniac-resistant models (farm) available
