CEILING AND WALL LUMINAIRES

# BALEVA

Ceiling and wall luminaires

## GRACEFUL FUNCTIONALITY.

BALEVA ... the name almost sounds like an ancient bathing goddess. In fact, this functionally yet modernly designed ceiling and wall luminaire with IP44 gives a thoroughly graceful impression in a wide variety of wet areas, both when mounted horizontally and vertically. Its almost unbeatable price-performance ratio and unique ease of installation are also impressive. Installation is done in just three steps: Install the plastic base. Push in the connecting terminal. Click in the diffuser. Done!

The interior features the linear LED board generating a pleasantly homogeneous and soft light in combination with the opal diffuser made of impact-resistant polycarbonate.

Thanks to the new MultiColour function, the colour temperature can be individually set to warm or cool white. Primarily developed as a classic mirror luminaire in four lengths, BALEVA is thus also suitable for use in corridors, nursing homes, patients' rooms and more.

## ADDITIONAL ADVANTAGES

- ⊕ Timeless and functional design
- ⊕ **MultiColour:** Colour temperature adjustable via switching element
- ⊕ Soft and homogeneous illumination through opal diffuser
- ⊕ High protection class IP 44 (wall mounting) for use in wet areas
- ⊕ Quick and easy to install
- ⊕ 2 central cable inlets for looping the cable
- ⊕ Diffuser can be assembled without the use of tools
- ⊕ Horizontal and vertical mounting allows you to find a suitable solution for most applications
- ⊕ LED rated life 50,000 h (L80/B10)
- ⊕ Ideal for sanitary areas, corridors, waiting areas, nursing homes, patient rooms

## Product overview

### Ceiling and wall luminaires | Baleva

Type of Protection: **IP 40** Ceiling mounting, **IP 44** wall mounting  
 Protection Class: II  
 Impact Protection: IK07

Body and end caps made of white plastic. Diffuser: plastic, opal.  
 Converter integrated and encapsulated.

Available colour: 2 = white

**MultiColour:** Colour temperature adjustable via switching element. Factory setting is 4000 K.

**Comparison LED vs. conventional lamps**

**LED 9 / 10 W ≈**  
 1 x 21 W T16 (24 W Psys)

**LED 15 W ≈**  
 1 x 28 W T16 (31 W Psys)

**LED 19 W ≈**  
 1 x 39 W T16 (42 W Psys)

Reference number	Dimensions [mm]	Lamp	Light colour	Luminous flux [lm]	System power [W]	dim-able	Price Category 11
451215.002.2	L 500, B 46, H 60	LED	830, 840	950	9	on/off	
451201.002.2 .Q	L 600, B 46, H 60	LED	830, 840	1050	10	on/off	
451202.002.2	L 900, B 46, H 60	LED	830, 840	1550	15	on/off	
451203.002.2	L 1200, B 46, H 60	LED	830, 840	2100	19	on/off	

**MultiColour:** luminous flux and system power can vary depends on the light color. You will find more detailed information on [www.rzb-lighting.com](http://www.rzb-lighting.com).

Horizontal and vertical installation

Diffuser made of impact-resistant PC

Soft homogeneous illumination

Rear light for ceiling or wall illumination

2 central cable entries for looping through the cable

Tool-free mounting of the cover

Sliding connection terminal

**MultiColour:** Colour temperature adjustable to 3000 K or 4000 K

⊕ Strip-Light LED

## HIGHEST PRODUCT AND CONSULTING QUALITY

### ⊕ RELIABILITY

We are your reliable partner. From the first idea to the implementation and far beyond, we accompany your project. Personal, passionate and individual. Thanks to our excellent expertise, top product quality and services such as lighting design, economic efficiency analysis and commissioning, we meet the high demands of all parties involved in the planning process.

- ✓ availability of BIM files
- ✓ easy and quick installation
- ✓ quality and long warranty

### ⊕ WARRANTY

The creation of high quality lighting solutions is our passion. Our products are developed and manufactured with the utmost care.

In addition to SMART TECHNOLOGY and EXCELLENT DESIGN, we are dedicated to manufacture luminaires of highest quality throughout the entire value chain through to After Sales Service.

Because of this, we confidently grant you a 5 years warranty on LED luminaires and 2 years warranty on emergency luminaires with effect of the date of invoice without prior registration of your project.

Warranty terms to be found under
