Arelo with surface-mounted housing white

### Accessories

Surface-mounted housing

Refurbishment frames

HF motion detector for recessed mounting

## ARELO

### Why was the product developed?

**Cost optimisation:** mix of quality and low price

**Function extension:** toughening for use in the office field of application

### Which problem is solved by the luminaire?

**Support instead of glare:** even, brilliant illumination with excellent glare elimination specifically for office applications

**Cost-performance winner:** high-grade light quality for budget-sensitive projects

### Product benefits

- + **Light quality:** brilliant, homogeneous illumination with faceted reflector and satin-finish LED cover
- + **Flexibility:** suited to versatile applications thanks to three sizes, MultiColour, MultiLumen, IP 54 type of protection on room side
- + **Durability:** long rated life as standard, reaches 100000 h (L70) with RUG ≤ 19 versions
- + **Installation:** easy installation including standard through-wiring and optional surface-mounted housing
